

Tell someone

If you are unhappy about something,
you have the right to tell us about it.

Jabu asked his teacher

Do you work for
PBSA?

His teacher said

No Jabu, but I will let
them know
you wanted
to speak to
them, OK?

The next day

Hello Jabu, I work
with PBSA,
what did you
want to tell
me?

Ask someone to speak to us, just like Jabu did, or write it down on the notebook at the bottom of this page. When you're done writing it down, give it to somebody you trust.
